The Summer Camp Banner Coloring Book, Christian Camp edition, is more than pages to color on. There are stories and activities built in that can be used at home — and at camp!

Here's what's in the book:

The first section is a Summer Camp Banner that you can color, or distribute the pages and make coloring it a team activity. Then, put a couple of holes in the top left and right corners, and make yourself a nice hanging banner by stringing it together.

The second section is the alphabet — from A to Z — where each letter has a theme. A is for Archery. B is for Bible, and so on through Z. I'll have some ideas for you at the beginning of that section.

The third section turns the individual themes into full coloring pages, each one themed the same as the A to Z letters.

As you pull into the fourth section, things change! We have several activity sheets, and I take a walk down memory lane and share some of my most exciting personal experiences as a camp kid growing up. But I do that in coloring pages, and most of those bits of camp are still a thing — to this day.

Enjoy the Summer Camp Banner Coloring Book, and be sure to tell a friend!
