## *Thank You for Being Our Guests!*

If you're reading this, it means this little book has traveled a long way through many hands - and many stories.

Somewhere in these pages are quiet evenings, long drives, new friends, and moments that mattered to someone who was passing through.

We're glad that you're writing your story here!

Your hosts,

*Safe Travels, one and all!*

*A* foot and light-hearted I take to the open road,  
Healthy, free, the world before me,  
The long brown path before me leading wherever I choose.

..... *Walt Whitman* .....

*I* shall not ask the road where it will lead me,  
Only that I may walk it bravely,  
I shall not ask the heavens for their promise,  
Only that I may walk beneath them freely.

..... *Henry van Dyke* .....

*G*ive to me the life I love,  
Let the love go by me,  
Give the jolly heaven above,  
And the byway nigh me.

..... *Robert Louis Stevenson* .....
